TERMS AND CONDITIONS

- 1) The Underwater and Floating Vegetation Control Program will be conducted in a manner consistent with good water management practice using the following methods and techniques when applicable.
 - a) Periodic treatments to maintain control of noxious submersed, floating and emersed aquatic vegetation and algae. Customer understands that some beneficial vegetation may be required in a body of water to maintain a balanced aquatic ecological system.
 - b) Determination of dissolved oxygen levels prior to treatment, as deemed necessary, to ensure that oxygen level is high enough to allow safe treatment. Additional routine water analysis and/or bacteriological analysis may be performed if required for success of the water management program.
 - c) Where applicable, treatment of only one-half or less of the entire body of water at any one time to ensure safety to fish and other aquatic life. However, the Company shall not be liable for loss of any exotic or non-native fish or vegetation. Customer must also notify the Company in writing if any exotic fish exist in lake or pond prior to treatment.
 - d) Customer understands and agrees that for the best effectiveness and environmental safety, materials used by the Company may be used at rates equal to or lower than maximum label recommendations.
 - e) Triploid grass carp stocking, if included, will be performed at stocking rates determined the Florida Fish and Wildlife Conservation Commission permit guidelines.
 - f) Customer agrees to provide adequate access. Failure to provide adequate access may require re-negotiation or termination of this Agreement.
 - g) Control of some weeds may take 30-90 days depending upon species, materials used and environmental factors.
 - h) When deemed necessary by the Company and approved by Customer, the planting and/or nurturing of certain varieties of plants, which for various reasons, help to maintain ecological balance.
- 2) Under the Shoreline Grass and Brush Control Program, the Company will treat border vegetation to the water's edge including, but not limited to torpedograss, cattails, and other emergent vegetation such as woody brush and broadleaf weeds. Many of species take several months or longer to fully decompose. Customer is responsible for any desired physical cutting and removal.
- 3) Customer agrees to inform the Company in writing if any lake or pond areas have been or are scheduled to be mitigated (planted with required or beneficial aquatic vegetation). the Company assumes no responsibility for damage to aquatic plants if Customer fails to provide such information in a timely manner. Emergent weed control may not be performed within mitigated areas, new or existing, unless specifically stated by separate contract or modification of this Agreement. Customer also agrees to notify the Company, in writing, of any conditions which may affect the scope of work and Customer agrees to pay any resultant higher direct costs incurred.
- 4) If services specify trash/debris removal, the Company will perform the following: removal of casual trash such as cups, plastic bags and other man-made materials up to a 5 gallon bucket but only during regularly scheduled service visits. Large or dangerous items such as biohazards and landscape debris will not be included.
- 5) Customer agrees to reimburse the Company for all processing fees for registering with third party companies for compliance monitoring services and/or invoicing portal fees. Fees will be reimbursed via an additional invoice per the Company's discretion.
- 6) If at any time during the term of this Agreement, Customer reasonably believes the Company is not performing in a satisfactory manner, or in accordance with the terms of this Agreement, Customer shall give the Company written notice stating with particularity the reasons for Customer's dissatisfaction. The Company shall investigate and attempt to address Customer's concerns. If, after 30 days from the giving of the original notice, Customer continues to reasonably believe the Company's performance is unsatisfactory, Customer may terminate this Agreement by giving written notice ("Second Notice") to the Company and paying all monies owing to the effective date of termination, which shall be the last day of the month in which the Second Notice is received by the Company. Customer may not terminate this Agreement before the end of the term except for cause in accordance with this paragraph.
- 7) If Customer discontinues or terminates service under this Agreement except for cause in accordance with paragraph 6, Company shall be entitled to collect as an early termination fee, and not as a penalty, an amount equal to, the lesser of, three (3) times the monthly service fee, or the number of months remaining in the term multiplied by the monthly service fee. The Company may declare the termination fee owed in a single payment due within ten (10) days of written demand.
- 8) Federal and State regulations require that various water time-use restrictions be observed during and following some treatments. The Company will notify Customer of such restrictions. It is Customer's responsibility to observe the restrictions throughout the required period. Customer understands and agrees that, notwithstanding any other provision of the Agreement, the Company does not assume any liability for failure by any party to be notified of, or to observe, such regulations or restrictions.

- 11) IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, SAVINGS OR REVENUE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer agrees that the Company's liability under this Agreement shall be limited to six (6) times the monthly fee, which amount shall be Customer's maximum remedy regardless of the legal theory used to determine that the Company is liable for the injury or loss (including, without limitation, negligence breach of contract breach of warranty and product liability).

- 15) Customer understands that, for convenience, the annual cost of service is spread over a twelve-month period and that individual monthly billings do not reflect the fluctuating seasonal costs of service. If the Company permits Customer to temporarily put its account activity on hold, an additional start-up charge may be required due to aquatic re-growth.
- 16) The Company agrees to hold Customer harmless from any loss, damage or claims arising out of the sole negligence of the Company. However, the Company shall in no event be liable to Customer or others for indirect, special or consequential damages resulting from any cause whatsoever.
- 17) Upon completion of the term of this Agreement, or any extension thereof, this Agreement shall be automatically extended for a period equal to its original term unless terminated by either party by written notice delivered prior to the end of the term. The Company may adjust the monthly investment amount after the original term to reflect any changes to cost of materials, inputs, and labor. The Company will submit written notification to Customer 30 days prior to effective date of adjustment. If Customer is unable to comply with the adjustment, the Company shall be notified immediately in order to seek a resolution. The Company may cancel this Agreement for any reason upon 30-day written notice to Customer.
- 18) Should Customer become delinquent, the Company may place the account on hold for non-payment and Customer will continue to be responsible for the continuing monthly amount even if the account is placed on hold. The Company may, at its sole discretion, choose to suspend services and charge the Customer 25% of the monthly equivalent invoice amount for three (3) consecutive months, herein referred to as the Credit Hold Period, or until Customer pays all invoices due, whichever comes earlier. Regular Service may be reinstated once the entire past due balance has been received in full. Should the Customer remain delinquent at the end of the Credit Hold Period, Company shall be entitled to bring action for collection of monies due and owing under this Agreement. Customer agrees to pay collection costs, including, but not limited to, reasonable attorneys fee (including those on appeal) and court costs, and all other expenses incurred by the Company resulting from such collection action. The Company reserves the right at any time to charge interest on unpaid amounts at the rate of eighteen percent (18%) per year. Customer hereby irrevocably submits to the exclusive personal jurisdiction of the state and federal courts of Duval County, Florida for the adjudication of all disputes or questions hereunder.

No oral or written alterations or modifications of the terms contained herein shall be valid unless made in writing and accepted by an authorized representative of both the Company and Customer.
