OVERVIEW of APP

Home login screen looks like this.
Tap the 3 lines on the top left to look
at other options.

Note your PIN CODE under Access credentials

Under visitors

They might be duplicated but you can leave them there or clean up.

Many previous visitors might be under the TEMPORARY tab too. Bottom right corner.

KIOSK VIEW

Directory Calling

When Guests/visitors use the
DIRECTORY button on the kiosk; this
will call the primary phone number on
file.

When someone calls you from the directory and your phone rings;
you will hear your guests on the phone. They are at the kiosk.
Go to your phones keypad and hit "9".
This will open the gate arm for them.
