

Sign up for the 15th annual

University Progressive Dinner

January 25, 2020 at 5:30 pm

All residents of University Place are invited to our annual Progressive Dinner. The evening will begin with hors d'oeuvres/appetizers at the home of Michaelene & Armand Houze. Next, we will break up into groups of 8 for dinner at individual homes. For the final course, everyone will gather at the home of Susan & Ian Lerman for desserts and coffee/tea.

To make this work, we will be relying on some of you to host a dinner:

Dinner host is for 8 people. You provide salad and bread. Beverage choices are optional. Guests provide main course and vegetable. Assignments will be made once we have heard from you.

If you are not hosting, please indicate your 1st, 2nd, and 3rd choices.)

- a. Bring hors d'oeuvres (to serve **12**)
- b. Bring a main dish (**to serve 8**)
- c. Bring a vegetable or other side dish (**without meat to serve 8**)
- d. Bring a dessert (to serve **12**).
- e. Whatever is needed

You can email Nancy Bibbins at npaxciabi@bridgew.edu, OR call her at 536-0621. **Please provide name, address, email, and phone number** so that you can be notified after assignments are determined. You will then get addresses and other details.

To make this work, please be ready to meet new people. In some cases, you will be with friends from a past dinner, although we switch around as much as possible. We will be unable to shift placements, once our list is made.

Please inform us of any dietary restrictions that you may have.

In order to coordinate this event, all reservations must be received **by January 15th.**

This is a party for adults.
